National Order of the Arrow Northern Tier
Wilderness Voyage
Charles L. Sommers High Adventure Base – Ely, Minnesota

*“The Order of the Arrow is a thing of the out of doors rather than the indoors.
It was born in an island wilderness. It needs the sun and rain, the woods and
the plains, the waters and the starlit sky.”*

E. Urner Goodman

The National Order of the Arrow is offering you an opportunity to join Arrowmen from across the country in cheerful service and the formation of lasting brotherhood on the pristine US/Canadian Boundary Waters. Under the direction of the United States Forest Service, experienced Charles L. Sommers staff members with strong Order of the Arrow backgrounds will lead participants on a two week voyage into the Boundary Waters Canoe Area Wilderness (BWCAW).

The program is a fourteen-day experience inspired by the traditions of the French and Canadian Voyageurs who ventured the northern wilderness during the 1700-1800's. Traveling thousands of miles by water and portage, these Voyageurs were hired to haul goods and furs to trade with Native Americans and Europeans. In the spirit of these adventurers, Arrowmen will embark on a voyage that is twofold. One-half of the OA Northern Tier Wilderness Voyage focuses on portage trail and campsite maintenance within the Boundary Waters. The remaining expedition is spent on a canoeing adventure that is planned and chosen by the participants in the program. In other words, each crew plans their own voyage! However, the program is not simply portage trail work, camping, and canoeing. The OA Northern Tier Wilderness Voyage is ultimately a journey that challenges Scouts mentally, physically, and spiritually.

Portage trail work is tough and serious. The worksite experience is full of long, strenuous days requiring a great deal of physical effort. Participants are expected to work with great diligence as the tasks being accomplished are designed to benefit generations of Scouts and non-Scouts in the Boundary Waters Wilderness. In addition to mastering portage trail maintenance techniques, Scouts will strengthen their leadership skills, learn advanced wilderness and low-impact camping skills, learn wilderness safety techniques, participate in many motivational activities, and receive special OA instruction. The projects' mission is to maintain, reinforce, and intensify the purpose of the Order of the Arrow through Scout camping traditions. Camping enhances and builds stronger programs and people. Participants are expected to use their experience to benefit their troop, chapter, lodge, and council programs.

“The OA Voyage provides a setting to challenge all Arrowmen mentally, physically, and spiritually in the last pristine wilderness area of the lower forty-eight states.”

Brian Seeton – OA Voyage
Foreman, 2004 Director

“At Northern Tier, the memories are as numerous as the ripples your paddle will make, the smiles on your new friends’ faces, and the sunsets that leave you speechless.”

Riley Berg, 2002 National Vice
Chief, 2003 OA Voyage Foreman

***Order of the Arrow
Scouting’s “National Honor Society”***

PURPOSE OF THE ORDER OF THE ARROW

To recognize those campers – Scouts and Scouters – who best exemplify the Scout Oath and Law in their daily lives and by such recognition, cause other campers to conduct themselves in such manner as to warrant recognition.

To develop and maintain camping traditions and spirit.

To promote Scout camping, which reaches its greatest effectiveness as a part of the unit's camping program, both year-round and in the summer camp, as directed by the camping committee of the council.

To crystallize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others.

OUR VISION FOR THE ORDER OF THE ARROW

To be recognized as Scouting's National Honor Society and an integral part of every council. Our service, activities, adventures, and training for youth and adults, are model of quality leadership development and programming that enrich, support, and help extend Scouting to America's youth.

OUR STRATEGY: INCREASED SERVICE

In support of our vision to be recognized as Scouting's National Honor Society and an integral part of every council, the Order of the Arrow (OA) intends to dramatically increase the level of service we provide to councils and to the national organization. We intend to do more, much more, to help the Boy Scouts of America fulfill its mission to serve our nation's youth.

In the years ahead we will expand our reach beyond camping to include greater focus on leadership development, membership extension, adventurous programming, and broader service to Scouting and the community.

NORTHERN TIER WEIGHT LIMITS FOR CANOEING

It is strongly recommended that each participant in a Northern Tier expedition **should not exceed** the maximum acceptable weight-to-height table shown below. Those who fall within the recommended weight limits are much more likely to have an enjoyable trek and avoid incurring injuries and health risks. Extra weight puts strain on the back, joints, and feet. The portage trails can be very muddy, slippery, and rocky and present a potential for tripping and falling.

We also strongly recommend that no participant be less than 100 lbs. in weight. Extremely small participants will have a very difficult time carrying canoes and heavy packs.

The load limits of the canoes is another important reason to limit participant weight. We put 3 people per canoe. The total participant load per canoe must not exceed 600 lbs. (an average of 200 lbs. per participant).

Height	Recommended Weight	Maximum Weight
5'0"	100 – 138 lbs.	166 lbs.
5'1"	101-143	172
5'2"	104-148	178
5'3"	107-152	183
5'4"	111-157	189
5'5"	114-162	195
